IN THE MATTER OF THE APPLICATION OF  
MARICOPA COUNTY, ARIZONA TO  
UPGRADE A CROSSING OF THE UNION  
PACIFIC RAILROAD AT COTTON LANE IN  
MARICOPA COUNTY, ARIZONA, AAR/DOT  
NO. 741-781-E.

DOCKET NO. RR-03639A-07-0160

**STAFF'S REQUEST FOR  
A PROCEDURAL ORDER  
SETTING HEARING DATE**

Arizona Corporation Commission Safety Division Staff ("Staff") requests that the Hearing Division issue a procedural order resetting this application for hearing at the earliest convenience of the Hearing Division. The procedural history of this matter indicates that the application was originally set for hearing on April 26, 2007. However, it appeared that additional information likely helpful for consideration of this case was not prepared for presentation at that time. The hearing was continued subject to being reset upon a request by one or more parties. Since the hearing was continued Staff has conducted additional informal and formal discovery, and has met with Maricopa County and the City of Goodyear representatives concerning supplemental information. Union Pacific Railroad's local attorney was also contacted related to this proceeding.

It now appears that the Applicant and Staff are ready to proceed with this case in a timely manner. Staff plans to file a Staff Report concerning the application on or before May 25, 2007. Therefore, Staff requests that a new date for hearing be set at the earliest convenience of the Hearing Division for consideration of the application.

RESPECTFULLY submitted this 14<sup>th</sup> day of May, 2007.
